Riverdale, Edmonton, AB

Riverdale gem with redevelopment potential and stunning views. Set on a 30x123 ft lot with river valley and river views this one-and-a-half-storey home is full of character and creative upside. With two bedrooms and one bath it offers a rare chance to restore or reimagine. The upper loft serves as a cozy light-filled primary with warm wood paneling. The main-floor bedroom is ideal for guests or a home office. The kitchen was renovated in 2015 with modern finishes and updated appliances opening to a bright living space with hardwood floors. Downstairs features an exposed brick bathroom storage and space for future development. Recent upgrades include attic insulation, a newer roof and a hot water tank (2016). Zoned RF2 and currently tenant-occupied with an oversized detached garage this property is a great opportunity for builders, investors or homeowners.
