McKernan, Edmonton, AB

Step inside and fall in love! This 1925 character home has been beautifully restored from top to bottom – blending historic charm with modern style. Soaring 9’™ ceilings, exposed brick, and engineered hardwood floors set the tone, while drywall, insulation, windows, doors, baths, lighting, plumbing, high-efficiency furnace, and tankless hot water (2015), exterior paint (2019), weeping tile & sump (2020) means everything’s already done for you. The custom kitchen is a showstopper – white maple cabinetry, butcher block island, quartz counters, stainless steel appliances, heated porcelain tile floors. Cozy up by the Valor gas fireplace or soak in the claw-foot tub. Stained glass, crown molding, and wainscoting add that perfect touch of vintage charm. Three spacious bedrooms and a bright lower level boasting a rec/flex room, laundry & storage. All this in a prime location on a 34’™ x 183’™ lot AND you’ll love the walkability of this neighborhood – just minutes to the University, LRT, cafés, shops, and Whyte Ave.
